

CSCA GIFT Division Business Meeting

Thursday April 3, 2019

Meeting Minutes

Outgoing Chair: Aaron Burton

New Chair: Seth Frei

New Vice Chair: Robert Hall

Called to order at 3:35pm

There were only three participants at the business meeting including the outgoing chair and new chair. For this reason, only a very brief business meeting was held. Topics of discussion included:

Plan for the types of submissions in 2020:

- General GIFTs
- Check with Basic Course on collaborating one panel slot with them
- One possible panel slot on Hybrid/Online

New Business:

No new business to discuss

Update on 2020 Conference:

There was not a representative from the organization that came to talk with us, but we briefly discussed the conference location (Chicago-O'Hare) and decided to communicate further information with the rest of the division via email.

Elections:

No attendees were interested in running for election so an alternative will be sought out by speaking with the Executive Director and hopefully having a vote or selection online for the division.

Meeting Adjourned at 3:50pm
